

MAXON

INDUSTRIES, INCORPORATED

ADVANCED CONCEPTS IN CONCRETE CONSTRUCTION EQUIPMENT

November 4, 2024

Milwaukee, WI - Maxon Industries, Inc. is pleased to announce Mobile Conveying Services as an authorized dealer for Maxon material handling equipment for the construction industry. This new partnership will see Mobile Conveying Services offer rentals, sales, and support for Maxon equipment across Australia and New Zealand. Headquartered in Brisbane Australia, with offices throughout the country, MCS has been supplying unique solutions to customers for over 20 years.

Bill Maxon, President of Maxon Industries remarks, “We are very pleased to add MCS to the Maxon dealer family and look forward to working together to sell and support Maxon products.” With this development, Mobile Conveying Services leverages its existing network to provide comprehensive support for Maxon products. Customers can now benefit from MCS’s technological expertise and commitment to exceptional service with established, dedicated support teams.

“We at Mobile Conveying Services are very proud to now be part of the Maxon family. Maxon Industries offers premium products in the material handling industry. We share common corporate values that meet customer expectations, and we look forward to a long-lasting partnership and collaboration with Maxon Industries” said Graeme Cooney, President of Mobile Conveying Services, PTY Ltd.

Mobile Conveying Services has a successful track record and brings a wealth of knowledge and experience to the table. This positions them perfectly to support the Maxon equipment range and empower their customers with the right equipment and industry-leading service.

Mobile Conveying Services can be reached at their head office in Queensland.
